

Research Activity Checklist

I certify that the research activities I engaged in while I was a (doctoral ·master's) student at Tokushima University Graduate School of Medical Sciences comply with all the items listed in the checklist below.

Date (YYYY/MM/DD): / /

Signature:

1) Regarding the acquisition, storage, and analysis of data; assessment and interpretation of results; and description and discussion in papers in which I am directly involved

All aspects of my research including experimental conditions; results; bases for data manipulation at all stages of analysis; assessment, interpretation, and discussion of results are appropriately recorded in my laboratory notebooks and other media and can be verified by a third party.

The appropriateness of my research process has been confirmed by my advisor based on the information recorded in my laboratory notebooks and other media.

2) Regarding the acquisition, storage, and analysis of data; assessment and interpretation of results; and description and discussion in papers in which my collaborators are directly involved

I have confirmed that my collaborators appropriately conducted experiments and prepared the manuscripts.
